Aon Hewitt provides organizations around the world with expert HR consulting and outsourcing solutions to help them solve their most complex compensation, benefit and talent challenges. Including 30 years of unparalleled trending capabilities, our surveys offer insights based on facts, not hunches. Offering data in 45 countries representing nearly 7,000 companies and 50 industries, Aon Hewitt compensation consulting draws on expertise using our most premier benchmarking surveys:

- Total Compensation Measurement
- Sales Compensation
- Variable Compensation Measurement.
